> ***All Seasonal Tuition fees need to be paid in advance. No refund for absences or mid-month withdrawals.***

Seasonal Fee:

- **$1,000** due at time of application/renewal (for insurance, materials, campus services, classroom materials replenishment and enrichment activities)

All fees are non-refundable and required to secure your child's space for the academic year. One time per academic year.

Our food preparation program is supported by a rotating family contribution of $20–$25 per turn, separate from tuition and fees. One family contributes each week, with each family scheduled just 1–4 times during the school year. These contributions provide ingredients for the children's hands-on cooking activities.

Flexible Enrollment Policy

Little Beach House Montessori offers **seasonal enrollment** for families needing **short-term or month-to-month** options due to travel or transitional circumstances. While we welcome diverse schedules, our seasonal program is priced accordingly to reflect the flexibility offered.

No credits or refunds for missed days, absences, or schedule changes
Seasonal enrollment does not guarantee a spot in the academic-year program

Note: Flexible care is subject to availability.

Seasonal Tuition Billing Policy

Seasonal enrollment is offered on a **month-to-month basis** and does not guarantee placement in the following month unless prepaid by the tuition due date.

There are no discounts or prorated refunds for absences, early withdrawals, or missed days. If space permits, families may request to enroll for **multiple months upfront** (e.g., 3–6 months) — however, tuition is still non-refundable and no price reductions apply.

⚠ Choosing a seasonal plan means you are committed to the entire month. If your child is withdrawn mid-month, no refunds will be issued.
