Enrollment Fee 2026-2027

Enrollment fee & Securing your child's spot

An $1800 **annual** fee is due at the time of application or renewal. This fee is non refundable and covers registration, administrative on boarding, classroom setup, insurance, materials, campus services, enrichment activities and building maintenance.

Our food preparation program is supported by a rotating family contribution of $20–$25 per turn, separate from tuition and fees. One family contributes each week, with each family scheduled just 1–4 times during the school year. These contributions provide ingredients for the children's hands-on cooking activities.

This fee is non-refundable and required to secure your child's space for the academic year.

Academic Year Commitment

Little BeachHouse Montessori operates on a **9-month academic year**, beginning in September and ending in the end of May, beginning of June depending on the calendar year.
To maintain consistency and quality, all families are required to commit to the full academic year. This policy ensures appropriate planning, staffing, and resource allocation throughout the year.
A signed Tuition Agreement will be required at the time of enrollment, regardless of the selected payment plan. Please note:

- **All tuition payments are non-refundable**, and are due on the invoice due date outlines.
- Early termination of the tuition contract must be communicated with 30 day notice or an additional month's tuition will be charged.

Travel Clause - Under Academic Year Commitment

Families are welcome to travel at any time during the school year. Tuition represents the reservation of your child's enrollment and classroom placement.

Families paying our standard tuition rates may have tuition waived for one full calendar month per school year, provided their child does not attend school at any time during that month. This option is not available in December or March.

Tuition may be waived **only when a child will be absent for a continuous period of one (1) full month, and written notice is provided at least one (1) month in advance**. Absences of less than one full month, partial-month travel, or intermittent absences do not qualify for tuition waivers.

Enrichments & Community Benefits

Included in Your LBHM Experience

Montessori Enrichment Activities

As part of our holistic approach to early childhood development, students participate in varied enrichment experiences during the week including:

- 🎨 Art, Creativity & Sensory
- 🎼 Music & Rhythm
- 🤸 Movement, Sports & Mindfulness
- 🗣️ French and Spanish Language Exploration

Parent Engagement & Community Perks

We believe family connection is essential to a child's learning journey. All families enrolled at LBHM benefit from:

- Mindful Coffee Mornings ☕
- Parents' Night Off 🌙
- Bi-annual Parent Teacher Conferences 🤝

About Little Beach House Montessori

Little Beach House Montessori (LBHM)

Provides a high-quality, structured early childhood education rooted in the Montessori method. Our certified and experienced educators - including native English and Spanish speaking intructors- bring deep expertise government recognized credentials.

We uphold the highest standards in teaching, care, and family engagement to ensure every child receives the attention, enrichment, and environment they deserve.

Professional Accreditations

LBHM is proud to be affiliated with the following organizations and recognized standards of excellence:

- **American Montessori Society (AMS)** – Fully accredited Montessori institution
- **French Language Program** – Delivered by native French speakers with government-recognized teaching credentials
- **Spanish Immersion** – Led by experienced, native-speaking educators

Our staff are not hired casually — they are carefully selected, professionally trained, and deeply aligned with the Montessori method.
